What do I need to pack in Vacation Care?

Labelled spare clothing

Drink bottle (for water only)

Hat

Lunch (unless specified on the program)

What can we expect in your program?

With collaboration from educators, children and families, we build an interest-based program that links to the ***My Time, Our Place*** framework. Using the parent app called ***Kinderloop*** we communicate group experiences and activities your child becomes involved in.

Our planned activities are optional for the children to participate in, as we understand the children have a day of structure and believe that they should have the freedom of play, during their before and after school care session.

On a varied day each term, we provide an ***active*** after school care session sourcing an outside provider. Previously we have welcomed Yoga, Martial Arts, Gymnastics and CrossFit JAK into our centre.

In vacation care we offer excursions, incursions and planned centre days. We aim to please the children and ensure that they have a fantastic time!

A little about us...

At Bungalow we pride ourselves on delivering a personal, friendly and supporting service.

Our educators are passionate about working with children and love their jobs. We ensure that children feel comfortable and a sense of belonging while in our care.

We are family run, inclusive and are always open to feedback and suggestions.

Bungalow OOSH aspires to connect with the Russell Vale PS community and create a home away from home for children to grow, learn and play.
